

Manage the challenges

together with your **Trusted Advisor**

WE ARE LOOKING FOR:
(Senior) Manager
IT Transformation (m/f/d)

LOCATION:
Remote work (ASG region)

WE ARE...

AdEx Partners was founded out of the drive to make complex transformation projects successful and to live management consulting differently. **Together with our customers, we define the goal and prerequisites for a successful transformation, develop tailor-made solutions and provide pragmatic support for implementation.**

As a **trusted advisor**, we support companies on both a strategic and operational level. **Independently, honestly and reliably**, we support our customers based on many years of industry knowledge, also in the area of line competence. Appreciative interaction and collaborative cooperation correspond to our self-image. Through **knowledge sharing**, we achieve added value that has an impact beyond the project team.

WE ARE LOOKING FOR...

a **(Senior) Manager IT Transformation (m/f/d)** for the support of IT transformation projects of our customers with the following tasks: responsibilities:

- **Develop and implement IT strategies** to support our clients' business goals and modernize their IT landscape
- Advice on the creation of **ITOM structures** as well as responsibility and support from **concept and roadmap development to implementation**
- Application and implementation of **IT frameworks** such as ITIL and ITSM to **improve IT service management processes**
- Conducting **IT assessments** to assess maturity levels and **identify optimization potentials**
- **Project/sub-project management for migration projects from legacy systems** to new IT landscapes
- **Leadership responsibilities** at the interface between the departments and IT, as well as professional development of the project staff

WHAT YOU BRING...

Passion and enthusiasm are more important to us than certificates or references, but the following skills will help you to be successful with us:

- A degree (e.g. **Business Administration, Computer Science**)
- Several years of **professional experience** - preferably in a consulting firm with extensive knowledge of IT transformation
- Extensive experience in the analysis, design and implementation of **ITOM structures** and **IT frameworks** such as ITIL and ITSM
- Expertise in conducting **IT assessments** and **implementing IT strategies**
- **Experience in direct interaction with decision-makers on all levels** regarding IT transformation
- **Project management, coaching, and leadership** experience in the IT sector
- **Project experience in both local and international markets**, combined with a high degree of work independence and a solution driven mindset
- **Business-fluent language skills in German and English**, both spoken and written, and a **willingness to travel** within the ASG region

OUR OFFER...

We offer you exciting engagements with highly relevant issues and state-of-the-art technologies with well-known customers from upper medium-sized businesses to DAX corporations. In addition, you can expect a variety of other **benefits**, such as:

- A young, agile **hands-on company** with a great deal of creative freedom and **flat hierarchies**
- Performance-based, transparent **bonus system**
- Flexible working hours incl. **remote regulation**
- **Employee assistance program** to support employees in all areas of life
- Individual **training** and personal **coaching**
- **Bike leasing** and fitness with EGYM Wellpass
- **Latest hardware** (choice of smartphone) - also for private use
- **Corporate events** such as regional regulars' tables, annual kick-off and the legendary Family & Friends summer event
